## Dr Shiri Daniels

National Director of Counseling

## Facing Crisis

Seminar for Principals of  
Jewish Schools & Kindergarten  
March 2017

Dr. Daniels is leading ERAN's professional and methodological aspects including: volunteer recruitment and training procedures, support and intervention methodology, external training programs, developing and managing collaboration with government and public institutions, academic institutions, support organizations and corporations.

She is a lecturer at the Faculty of Educational Counseling, Tel Aviv University and has published articles on the subject of educational counseling. Her research field is "The psychological implications of therapy on therapists and prevention of burnout".

Dr. Daniels has 15 years of experience in individual and group counseling, prevention of risk behavior in adolescents, devising programs for intervention in emergencies and organizational counseling. Formerly, she served as Director of the Counseling and Therapeutic Support Staff in the National Educational System - Psychological Counseling Service. Her specific areas of specialization include short-term counseling and group facilitation.

Author of "The Power of Listening - Helping those close to you in times of emotional distress and crisis" (2015)
